

Remarks

As requested by the Examiner we enclosed herewith the IDS.

We note that the Examiner required the Prior Art legend for Figs 1 and 2, however Fig. 3 is also prior art and thus the required legend has also been included on this fig.

Claim Objections

Claims 12-13 and 47 48 are objected to by the Examiner but would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. In this regard, the subject matter of claim 12 and intervening claim 8 have been included into amended base claim 4. Also, the subject matter of claim 47 and intervening claims 46,45 and 43 have been included into amended base claim 39. Furthermore claim 13 now depends from allowable base claim 4 and claim 48 now depends from allowable base claim 39. It is therefore submitted that claims 4, 13 39 and 48 now on file should be allowed.

Claim Rejections- 35 U.S.C. § 102:

Claims 1-11, 14-18, 36-46 and 49-53 are rejected under 35 U.S.C. § 102 (a) as being anticipated by Applicant's Admitted Prior Art.

Claims 1-3, 5-11, 36-38 and 40-47 have been canceled and therefore require no further comment.

Claims 4 and 39 should be considered allowed based on the abovementioned allowable subject matter amendments. Also, since claims 14-18 depend from claim 4 and claims 49 to 53 depend from claim 39 then all of these dependent claims should be allowed.

Claim Rejections- 35 U.S.C. § 103

Claims 3, 18, 38 and 50 are rejected under 35 U.S.C. § 103 (a) as being unpatentable over Applicant's Admitted Prior Art.

Claims 3 and 38 have been canceled and therefore require no further comment.

Claim 18 depends from allowable claim 4 and claim 50 depends from allowable claim 39. Hence, claims 18 and 50 should be considered as allowable.

New Claims

Claims 66 and 67 have been added and clearly the subject matter of these two New claims is not anticipated by Applicant's Admitted Prior Art.

In view of the above, this application is believed to be in proper form for allowance and an early notice of allowance is respectfully requested.

Respectfully Submitted,
Kharitoneko, ET AL.
